The San Bernardino Microwave Society will meet at the American Legion Hall in Corona, CA at 1900 PDT on November 3, 2022. Our usual Zoom link will also carry the meeting. (See [W6IFE](#) for Zoom info.)

This month's program will be given by Michelle Thompson W5NYV and Paul Williamson KB5MU about the latest in technology from 1984 and today. Come as you were in 1984 if you like!

A reminder will be sent out Thursday.
