The San Bernardino Microwave Society will meet at the American Legion Hall in Corona, CA at 1900 PST on December 1, 2022. Our usual Zoom link will also carry the meeting. (See [W6IFE](#) for Zoom info.)

This month's program will be given by long time member and microwave operator Dave Laag W6DL on "The History and Importance of Amateur Radio Microwaving in the Southwest."

We will meet at Sizzler in Corona beforehand as usual, but in observance of the year-end festivities, consider skipping the soft serve bar and bring a dessert if you wish, to share at the meeting hall.

A reminder will be sent out Thursday.
